

IGHTHAM PRIMARY SCHOOL

October 2019

Dear Parents/Carers

School Voluntary Fund 2019 – 2020

Each year we ask parents for a discretionary Voluntary Contribution to our School Fund.

The School Fund has proved invaluable and has allowed the school to buy extra items which we cannot afford from the main budget, which continues to fall behind inflation. These items have significantly enhanced the curriculum to benefit the enjoyment of the children at the school. The School Fund is also used to subsidise the cost of school trips and other activities that enrich the curriculum and school life. We also invite a variety of visitors to the school to work with the children in such areas as acting, dancing and historical activities, as well as running various workshops and leading assemblies.

In the past, the money has been collected via Standing Order from your bank accounts but going forward we are going to ask that the money is paid through Parent Pay. This will enable you to pay the money in a lump sum as well as contributing more, if you so wish. If you have already made a contribution in this school year, please ignore the payment request on your Parent Pay Account.

I do hope you will feel able to make a financial contribution to help Ightham Primary School's SVS enhance our pupil's education and may I thank you for your continued support.

Yours sincerely

A handwritten signature in black ink, appearing to read "D. Sherhod".

Mr D. Sherhod
