

Ightham Primary School Newsletter

December 2020

Dear Everyone at Thugulu Primary School,

We hope you are all safe and well. Thank you for the newsletter you recently sent to us, we really enjoyed reading about what you have been up to and how you are all coping in these difficult times. We wanted to share with you what we have been up to at Ightham Primary School since September. Each class has shared some photos for you to look at.

From everyone at Ightham Primary School, we wish you a very Merry Christmas!

Reception (Early Years)

Acorn Class have been learning about the post office this term. They have learnt about a postman's job and have loved role playing this in our classroom!

Year 1

Pine Class have been learning to use a computer in our computer suite. They have been using a programme to make firework pictures.

Year 2

Year 2 have been learning about the Great Fire of London which happened in London in 1666.

Chestnut Class made their own working fire engine models and took part in a history day where they got to dress up and write a letter using a quill. They also made model houses and lit these on fire to show how the great fire spread!

Year 3

Willow Class have been enjoying forest school. They were challenged to create a nest which would be able to hold a raw egg - they weren't allowed to let it crack!

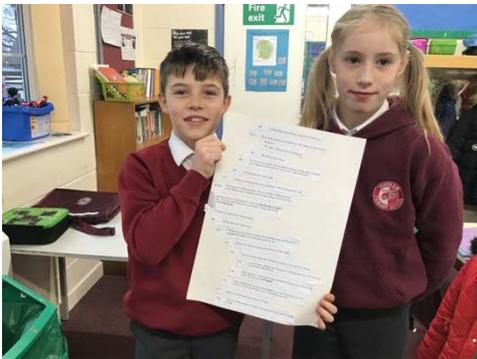

Year 4

Elm Class have also been enjoying forest school. They made their class name using natural materials found in our woodland area!

Year 5

Beech Class have been learning about the Vikings in history. They have been learning to sequence important events in chronological order.

Year 6

Oak Class watched a virtual tour of St Peter's Church to support their learning.

In memory of Remembrance Day on 11th November, our Head Boy and Head Girl place a poppy wreath on the war memorial in Ightham village.
