

IGHTHAM PRIMARY SCHOOL

3rd December 2020

Dear Parents and Carers,

Severe Snow/Ice Plan for Parents and Families

Every winter brings the possibility of snow and ice. Extreme bad weather can cause widespread and prolonged disruption. Schools are often affected and it can be difficult to maintain an education service.

As a fundamental principle every effort must be made to keep schools open, even if only limited numbers of pupils can attend. However, schools may close due to 'unavoidable' circumstances. Those circumstances being that it is no longer safe for staff or pupils to be onsite.

We recognise that it is important our school remains open so parents are able to work and pupils can continue to learn. Ightham Primary School will make every effort to prepare for severe snow/ice this winter. As parents will undoubtedly be aware, however, the school site is not the easiest to make safe for everybody and the safety and wellbeing of children, parents and staff is paramount.

How will we let you know if the school is closed?

If we do experience severe snow/ice resulting in hazardous conditions, I may have to take the decision to close the school. Once this decision has been made, we will notify parents via the Kent Closures website. To determine whether Ightham Primary School is open or closed, please visit www.kentclosures.co.uk. Search for the school in the search box. The Kent Closures website may also be used to find out if other services in Kent are open or closed, such as nurseries, children's centres and libraries. We also recommend parents sign up for Email alerts on the Kent Closures website. This service will send an email alert to let parents know if Ightham Primary School is closed. Local radio will sometimes provide information of school closures.

What can you do to help?

- Please visit <https://www.kent.gov.uk/winter> for more information about gritting routes and travel issues around Kent so you can plan your journey.
- You may need to provide a packed lunch from home if school meals cannot be provided.
- Don't forget suitable warm clothing – gloves, hats, scarves, wellies etc. or even a change of clothing.
- If you are a working parent or feel you may have a problem with a sudden earlier pick up, please could you put a back-up plan in place with another family member or parent and inform the school. This will allow staff to leave earlier for their safety if weather dictates.

Many thanks for your support in helping Ightham Primary School remain open during periods of severe snow/ice.

Kind regards,

Mr D Sherhod
Head Teacher
