

IGHTHAM PRIMARY SCHOOL

26th February 2021

Dear Parent/Carer,

I hope you and your family have had a good week.

We are delighted that we shall be reopening to all the children on Monday 8th March. Our arrangements will be very similar to those that were in place in Terms 1 and 2. I shall send out more information next week to confirm the arrangements from 8th March onwards.

One small adjustment we shall be making is to ask the children to arrive at school between 8.35am and 8.55am in order to ensure the children are in their classroom and ready to learn by 9am.

Given all the information in the media and social media, I shall continue to endeavour to share with you the relevant information as it relates to our families, children and Ightham Primary School.

I was made aware, earlier this week, that one of our pupils has been very enterprising over the last couple of months and, together with her older sibling, has set up her own business! Honor (Year 5) and her sister Kitty have set up a business selling dog treats. It is going extremely well and the girls are already making a healthy profit on their original investment as they have already sold over 100 bags of treats. Well done to them both. They have also set up a rather lovely website which can be viewed at: www.khdogbakery.com

You should have received a separate parentmail earlier about World Book Day next week. There are lots of activities and presentations taking place for the children to enjoy.

Kind regards,

Mr D Sherhod
Head Teacher
