

	What Ightham Primary School will do		What Parents/Carers will do	What pupils will do
Attendance	We will aim to start and end the day promptly. We will contact parents if children are absent and we have not been notified of their absence. We will maintain accurate records of attendance.		We will ensure children attend regularly and on time. We will book holidays during school breaks as far as possible.	I will make sure that I have everything ready so I can start lessons on time.
Behaviour	We will ensure high standards of behaviour to keep pupils safe, healthy and happy. We will contact parents if we are concerned about pupils' behaviour.		We will support the school policies that promote excellent behaviour. We will attend meetings to discuss behaviour if invited by the school.	I will follow the school rules. I will do as I am asked straight away.
Communication	We will keep parents informed through newsletters and personal contact. We will advise parents if we have any concerns about a child. In our dealing with parents we will show respect for your views.		We will advise the school of any problems that may affect learning or behaviour. We will discuss issues politely with the appropriate staff member. All communications with school staff, including emails, will be made respectfully.	I will take home and hand in letters on time. I will tell an adult if I am having a problem in school.
Curriculum	Our teaching will cover the National Curriculum appropriate to the ability and age of pupils. We will make learning interesting to motivate children.		We will attend parent meetings. We will take an interest in what our children are learning. We will support the school by ensuring our child accesses the full curriculum.	I will always try my best in school and I will take part in the full school curriculum.
Equality of Opportunity	We will provide an inclusive education for all pupils. We will not tolerate bullying, racist or any other discriminatory behaviour.		We will teach our children to treat everyone with respect.	I will respect all other people in the school. I will not be unkind to anyone.
Online Safety	We will ensure online safety is taught to all our children and our staff will adhere to our Online Safety Policy as well as our Safeguarding Policy.		We are aware of the school's Acceptable Use and Online Safety policies and will support the school's approach to online safety. We will not upload, share or add any pictures, video or text that could upset, offend or threaten the safety of any member of the school community.	I will follow the school rules on online safety.
Homework	We will set appropriate homework as laid out in the school homework policy.		We will support our children to complete their homework on time.	I will do my homework when it is set and hand it in on time.
Uniform	We will advise parents of our uniform policy and review this regularly.		We will ensure that our children are dressed appropriately for school following the uniform policy. We will mark all property with our child's name.	I will remember to wear my school uniform. I will make sure I look after my belongings.
Respect	We will treat parents, children and the local community with respect.		We will treat all members of the school community with respect. We will respect the decision of the Full Governing Body and park in the Recreation Ground Car Park and not Oldbury Lane/the School Car Park unless special dispensation is granted by the School e.g. through disability.	I will treat other people in the school with respect.

Our Vision

Pupils should leave Ightham Primary School with their understanding deepened, their minds enriched, and their hearts inspired, so that they love learning and embrace the challenges of the future.

Our Aims

- We aim to foster attitudes that will instil self-confidence, a sense of personal worth and help them to acquire knowledge and skills relevant to life and work in a changing world.
- We aim to provide an environment where children can be happy so that they are able to enjoy their education.
- We aim to assist children in developing intellectual, personal, spiritual, social and moral values while also sharing respect for all religions and other ways of life.
- We aim to give children the opportunity to make decisions and choices and to take responsibility for their learning, their environment and the resources made available to them.
- We aim to identify each child's particular gifts and talents and to enhance them in the community.
- We aim to encourage a close working partnership with families and the wider community.
