

Monday 27th February 2023
Term 4 Week 2

As you know, it will be 'Ightham book day' on Friday and it would be lovely if the children could come to school dressed as their favourite book character. We will also be doing some DT on the day, so you may wish to send them into school with a scruffy t-shirt to change into, if you are worried about the costume getting dirty.

In preparation for our DT, could I also ask that your child brings in some junk modelling materials (plastic bottles, boxes, kitchen rolls etc) by Friday.

Reading

As always, please listen to your child read each day. Please could you make sure that the children bring in their reading books on a Monday (from next week!) as we are going to all change our books together. If the children read all three books during the week, they can also change them on a Friday.

Spellings

This week we are learning to spell words containing the letter 'g', sounding like 'j' when it comes before e, i and y.

Our words are:

huge, change, gem, giant, magic, energy, village and age.

The additional words are **class** and **grass**

Please login to spelling shed to practise spelling these words. If the children find any more spellings that follow this rule as they are reading, they could write them down and bring them in to share.

Maths

This week, we are beginning our new topic on Money. I have allocated two activities but I have only set them from **Friday**, as the children will not have covered the necessary content until then.

They are 'Identify everyday money' and 'Money, who's got it?'

I hope you have a lovely week.
