Term 4 Week 5

Thank you, and well done, to those children who completed the Science challenges at home. They were lovely to see.

We are thoroughly enjoying having ducklings in the classroom this week. They are very noisy and are keeping us entertained! We have also welcomed some Zebra Danios into our fish tank so our classroom is rapidly turning into a mini Zoo! To add to the excitement, we have put a little of the frog spawn from the school pond into a tank and we are hoping that we will soon see some tadpoles.

However, amidst this excitement, normal work continues...!

### Reading

As always, please listen to your child read each day.

### Spellings

This week we are learning to use the possessive apostrophe. It is quite tricky to test these words without the accompanying noun - so I have added one in below. The children won't need to spell it, only the part with the apostrophe!

Our words are:

**dog's** lead, **cat's** bed, **dad's** tie, **child's** toy, **boy's** book, **man's** hat, **lady's** umbrella and **rabbit's** bedding.

The additional words are **hour** and **move**.

Please login to spelling shed to practise spelling these words.

### Maths

This week, we are continuing our topic on 'Money'. I will put a homework sheet in the contact books for the children to complete. It is all about finding the difference between two amounts... 'How much more?'

I hope you have a lovely week.
