

Pine Class Newsletter

Term 4 - Week 4

Science Week

The children had a wonderful Science week! They conducted some exciting colour change experiments, learnt more about seasonal change and explored the best material to take clear fingerprints. After visiting Chestnut Class' ducklings, they even learnt about the life cycle of a duck.

School Trip

We are very much looking forward to our trip to The Amelia Scott on Monday. As it is only for the morning, the children will be back at school for lunch and forest school in the afternoon. As a reminder please send them to school in their forest school clothes with the addition of an Ightham jumper or hoodie so they can be easily identified.

Phase 3 Word Lists

If your child is yet to secure their Phase 3 blending you will find a word list in their contact book. Please support your child to recognise the graphemes and read these words daily until secure. If you need a reminder of the rhymes we use please read this helpful ELS guide <https://ightham.kent.sch.uk/wp-content/uploads/2022/10/ELS-Grapheme-Sheet-Phase-5.pdf>

Homework

Please remember to support your child to complete their Phonics and Mathematics tasks. They are set on a Friday and due in the following Thursday.

Show and Tell

This week we loved listening to Chartwell's show and tell items.

Next week, we look forward to listening to Mote.

Have a wonderful weekend,

Miss Allen and Mrs Weller ☺
