

Starting Ightham Primary School

Now that you are 4 (and maybe even nearly 5!), you will be starting school very soon! What are you excited about the most?

My name is Miss Cook and I am going to be your teacher. I will be with you everyday. I can't wait to meet you all and have lots of fun!

There are two other teachers in Acorn Class, they are called Mrs Lappin and Mrs Bennett. We are all here to help you learn and to have lots of fun with!

Mrs Lappin

Mrs Bennett

Your class is called Acorn Class. When you come to school you will play and learn in our classroom and outdoor area.

Pegs – You will have your own peg where you will hang your coat. We have a special box for you to keep your bookbag in.

This is our carpet area. On your first day of school I will give you your own special minibeast to sit on. Every time we have learning time on the carpet, you will sit on your special spot. You can also play in this area, we have lots of toys to choose from!

Toilet area - We have our own toilets and sinks that you can use whenever you need to.

Here are some photos of your new classroom.

This is our outdoor area. You can choose whether you want to play inside or outside and can go in and out whenever you want to. We have bikes, water play, sand, a mud kitchen, a home corner and lots of other toys to choose from!

School hall - This is our school hall. We will have PE lessons in here and this is also where we come to have lunch. Mrs Lappin and Mrs Bennett will be with you when we have lunch.

We can't wait to meet you next week and look forward to seeing your special boxes!
