

Pine Class Newsletter

It has been another wonderful week in Pine Class and the children have tried their very best in the hot weather.

In English, they have made fantastic starts to their stories retelling Lila and the Secret of Rain. They are carefully retelling the story using lots of language and phrases from the original book which is lovely to see. Hopefully they will be finished and illustrated by Thursday for you to see at Drop In.

In Maths, the children have learnt how to add equal groups, record repeated addition sentences, create arrays and how to double larger numbers. They have also continued to work very hard to count forwards and backwards in 2s, 5s and 10s. In Science, they were very interested to learn about evergreen and deciduous trees and enjoyed trying to identify and draw the different trees at school. Thank you to Liana and Miles for bringing in a very special tortoise guest into school as well this week.

The children were very excited to begin making their own vehicles this week and thank you to our parent volunteers and class reps for making this possible.

Have a super weekend,
Mrs Black and Mrs Weller

Homework

Reading- Please help your child to read their phonics decodable book at least 4 times.

Spellings on Edshed- Please aim to spend at least 15 minutes across the week. We will have a low key spelling test at school on Friday. Our words this week are: **buzzing, buzzed, jumping, jumped, looking, looked, fizzing, fizzed, helped, helping**. Please return their spelling books next week by Monday.

Numbots- Please help your child spend 15 minutes on Numbots across the week.

Mathletics- There are 2 tasks set on Mathletics.

Show and Tell Timetable for Term 6

Week 5 01.07.24

Chartwell

There will be no further Show and Tell sessions this year after Chartwell. Thank you for all the amazing presentations and items.
